

Johan Benestam
GOLF COURSE DESIGN

4st nya bunkrar ca tot 175m2

The Golf Course Architect may modify any and or all grades shown on these plans in order to achieve the desired finished result in all golf course features. Any change in contractors overall scope of work must first approved by owners.

These proposed grading plans are based on existing topographical information provided by owners.

The setting-out must be approved by the Golf Course Architect or his representative on site.
